Alliance Volleyball club welcomes all unsigned 2012, 2013, 2014 and 2015 student athletes to our **2<sup>nd</sup> Annual Music City Mixer College Showcase 1/14/2012**. Our first annual 2011 recruiting combine featured 140 athletes spanning 8 states and 30+ college coaches. We expect those numbers to elevate greatly! This year's event will also feature a college recruiting symposium for parents and participants at the conclusion of the day.

**January 14th is the ideal time for athletes to showcase their skills.** College coaches have completed their season and now attention is fully given to recruiting. Athletes have physically recovered from their high school seasons and have been training with their club for weeks. Our event is a great launching point for the club and recruiting season!

Once again we will use the Southeast region's premiere sports facility, **A Game Sportsplex, housing 12 volleyball courts and an overlook area for college coaches.** A-Game is an "easy to get to" location, perfect for coaches and athletes.
