## LEAD COACH – TATIANA ALVAREZ

---

Tatiana has established herself as an excellent trainer in club and high school volleyball in the midstate over the last four years. Tatiana played three seasons of Division I volleyball as a DS/L for the University of Miami and graduated with a Bachelor's in Music. Tatiana is currently serving as the head coach of Alliance's 15-1 REN team and is entering her fourth season as Head Varsity Coach at Battle Ground Academy.

## DESCRIPTION

---

- Middle School Team Camp so designed for middle school programs in the Middle Tennessee area who are seeking a comfortable, yet competitive environment to foster both individual and team growth.
- Each school program is partnered with a member of Alliance Volleyball Club Coaching staff or Alumni who – while working in cooperation with the middle school coach – designs and implements drills, along with offensive and defensive strategies, to assist that team in achieving the level of excellence they are striving for.
- Individual players will receive position specific training from an Alliance who has an exceptional level of competence in both fundamental and advanced concepts required to be successful at that position.
- Middle School Teams will have the opportunity to compete against one another in scored games and live play to reinforce the concepts and strategies learned earlier in the day.

---

## ADDITIONAL INFORMATION

---

- Each school is welcome to bring multiple teams from its program (Varsity, JV, 6<sup>th</sup> Grade team)
- While we do encourage each school's middle school coach to attend camp, it is not necessary for the coach to be present for the entire camp in order for their program to attend
- To register, middle school coach much contact **Bri D'Errico, Alliance Programming Manager**, directly.

---

## HOW TO REGISTER

---

- Use the registration link that was shared with you by your Middle School Team Coach
- It is strongly encouraged to utilize a personal computer (laptop or desktop) when completing registration as opposed to a mobile device (cell, tablet) or work computer. The registration system we use for Middle School Team Camp (EZ Facility) seems to be sensitive to certain work computers with more advanced security/firewall settings on their network, and the text sometimes does not display properly on mobile devices. This is not to say that one would be unable to register from their particular mobile device or work computer, but a personal computer would probably be the best way to register.

**Early Bird Registration: NOW – JUNE 12<sup>th</sup> (\$165)**

**Standard Registration: JUNE 13<sup>th</sup> – July 5<sup>th</sup> (\$175)**
