- To register for any of these sessions, please visit the Alliance web site, www.alliancevbc.com, and click on “Sign In” in the top right hand corner to create an Alliance account.
 - If you already have an Alliance account, please “Sign In” and register through your Alliance account.
- Age guidelines are tied to the age group the athlete would try-out for in October if she wished to do so. For example, if the athlete would try-out for 15-and-under age group, her age would be considered “15” for purposes of registering for Sunday Skills Clinics.
- Please register as much in advance as possible to help our coaches in their planning efforts and to help ensure all sessions are staffed appropriately. ‘Walk-ups’ will be accepted at a \$35/session rate as space permits.
 - No refunds will be given for no-shows or cancellation requests received within 24 hours of the session.
- Each Lead Coach will approach his/her session a little bit differently, but as a general rule, our coaches like to build on what was trained the week before. There might be 25% of a session that is a review from the previous week, but 75% which will be new. We encourage – but do *not* require – players to register for multiple weeks of a session to maximize the benefit they can receive from each session.
