

## 2023 Programming Calendar

Please use this calendar as a guide to help you look ahead and plan for programming that you would like your athlete to participate in. Once you find a program that is suitable for your athlete's age or grade, please revisit the "Camps and Clinics" tab on our website for more information about that specific program by name. Registration for each program will open approximately 2 months before the start date, with some of the summer camps' registration opening as early as February. \*Exact dates are subject to change
