## Divisions of Play

- Participants will choose to register for one of three divisions of play: Developmental, Intermediate, Advanced. We strive to have 10 players on each team in each division.
  - There is NO try-out for Fall League. Families are encouraged to reference description of each division of play (see below) when deciding the most appropriate placement for their child. Please pay special attention to the division descriptions and skillset guidelines (intermediate and advanced) listed for each division when registering your player. If purposefully registered for a division in which their skillset is not suited, a player could feel overwhelmed, and it could negatively impact their experience and the overall integrity and experiences of the other team members.
  - Factors accounted for when assigning teams: Preferred Practice Time Request, Age/Grade and/or School
  - There is no age restriction in any division of play, but last season’s grade composition of each division was as follows (not including teams from other league affiliations and locations):
- |                         |                       |                       |                       |                       |                       |                        |
|-------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|------------------------|
| • <u>Developmental:</u> | 3 <sup>rd</sup> : 18% | 4 <sup>th</sup> : 24% | 5 <sup>th</sup> : 23% | 6 <sup>th</sup> : 22% | 7 <sup>th</sup> : 9%  | 8 <sup>th</sup> : 4%   |
| • <u>Intermediate:</u>  | 3 <sup>rd</sup> : 0%  | 4 <sup>th</sup> : 6%  | 5 <sup>th</sup> : 15% | 6 <sup>th</sup> : 39% | 7 <sup>th</sup> : 26% | 8 <sup>th</sup> : 13%  |
| • <u>Advanced:</u>      | 3 <sup>rd</sup> : 0%  | 4 <sup>th</sup> : 0%  | 5 <sup>th</sup> : 0%  | 6 <sup>th</sup> : 13% | 7 <sup>th</sup> : 48% | 8 <sup>th</sup> : 37 % |
- Participants may request to play on the same team as a friend/sibling. Please note the names of requested friends/siblings in “Notes and Comments” section of the registration page and please make sure you are registering for the same division and [if applicable] requesting the same preferred practice times! As a reminder, these are requests, they are not guaranteed, as assignments are made on a first come, first serve registration basis. **If your player is wishing to play on the same team as a friend and that friend would be categorized in a division lower than your player, please consider registering both players in the lower of the two divisions.** If Alliance coaching staff feels there is a player who is in the wrong division, we reserve the right to move them to a team of a more suitable level.

- It is strongly encouraged to utilize a personal computer (laptop or desktop) when completing registration as opposed to a mobile device (phone, tablet) or company computer. The registration system we use for Fall League (EZ Facility) seems to be sensitive to certain company computers with more advanced security/firewall settings on their network, and the text sometimes does not display properly on mobile devices. This is not to say that one would be unable to register from their mobile device or company computer, but a personal computer would probably be the best way to register. **Please be aware, the Fall League registration will NOT show up on your Alliance account. They are two different registration systems. Please make sure you are putting your player’s name and correct t-shirt size and not your own.**
