

7th & 8th Grade Training Program

Suggested Participant: Player who is entering 7th or 8th grade in the 2025-2026 school year. Player has already completed a season of middle school volleyball and/or has previous experience playing organized volleyball (e.g. Fall/Winter League). Program Description ROUND 1: Emphasis will be placed on drills that are “multi-touch” in nature: serve --> pass; pass --> set; set --> attack; attack --> dig; dig --> set. Training will take place in both smaller and larger groups where specific positional responsibilities will be introduced, discussed, and reinforced in addition to primary skills. Participants will be placed in “live play” scenarios (5v5, 6v6) with the goal of improving each player’s all-around skill set. More advanced tactical concepts will be introduced such as different defensive systems, playing out-of-system, and “shaping” the court in different scenarios.
