ALLIANCE MISSION STATEMENT

Alliance is committed to developing exceptional student-athletes through purposeful training, competitive opportunities, and excellence in coaching. We provide athletes with the technical foundation, resources, and support to reach their highest potential while intentionally developing the character, leadership, resilience, accountability, and teamwork that extend beyond the court. As a community-based nonprofit, we are dedicated not only to building successful athletes and teams, but to strengthening the volleyball community through the development and mentorship of coaches and the positive impact our athletes make within their teams, schools, and communities.

THE ALLIANCE DISTINCTION

Our Coaches: A club is only as strong as its coaching staff, and we believe parents and athletes deserve to know who is entrusted with their development. We intentionally recruit and retain coaches who demonstrate the technical knowledge, experience, leadership, and character necessary to develop athletes within the Alliance culture.

Our Leadership & Athlete Resources: Alliance is led by a stable and experienced leadership team, supported by a deep bench of knowledgeable volleyball professionals with diverse playing, coaching, recruiting, and developmental backgrounds. Our Executive Director, Managing Director, and Club Administrator provide continuity, organizational stability, and a clear vision for the club, while our coaching and support staff bring a wealth of volleyball expertise to the development of our athletes. Beyond the court, athletes have access to specialized resources including dedicated recruiting support, mental performance coaching, and strength and performance training. This combination of leadership stability, volleyball expertise, and comprehensive athlete resources allows Alliance to provide a level of development and support that extends well beyond traditional club volleyball.

THE ALLIANCE DISTINCTION

Our Reputation in the Volleyball Community: Alliance has built a strong reputation within the volleyball community through relationships rooted in mutual respect, professionalism, and a shared commitment to growing the sport. We continue to develop meaningful partnerships with clubs and organizations throughout the country, including longstanding relationships with LA Volleyball, SVT, K2 Volleyball, and Ethos Volleyball for tournament collaboration and other opportunities.

Our Commitment to the Complete Athlete: We believe volleyball is about more than developing technically skilled players. We intentionally develop the complete athlete by building a strong foundation of fundamental and technical skills while cultivating lifelong qualities such as sportsmanship, leadership, accountability, resilience, teamwork, and cooperation. Our goal is to prepare athletes not only to compete at the highest level possible, but to become confident and capable individuals beyond the court.

Our Transparency & Accessibility: We believe strong relationships with families are built through open communication and transparency. We welcome parents into our facility and provide opportunities to observe team practices, allowing families to better understand what we teach, how we teach it, and the individual coaching styles that make Alliance unique. We believe this level of access creates greater understanding, trust, and partnership between our coaches, athletes, and families.

WAYS WE ENCOURAGE FEEDBACK

Coach Self Evaluations

Coaches are required to submit self evaluations at the end of each season, promoting reflection and feedback.

Coach End of Season Meeting

At the end of each season, coaches are required to meet with the directors and debrief the season as a whole. Self evaluations are discussed as well as future plans of coaching next season.

Parent Leader Mid-Season Meeting

In the middle of each season, parent reps from each team will meet as a group with members of our staff to touch base on the season to date.

End of Season Parent Survey

At the end of each season, we ask all parents to complete a brief survey to share their feedback and experiences. We carefully review this feedback to help inform coach placements for the following season, as well as identify opportunities for meaningful updates or changes within the club.

2026-2027 CLUB FEES

- We strive to keep fees as low as possible, while still reaching our mission of training and developing student athletes through competitive participation in the sport of volleyball with excellent coaching in a safe and adequate facility.
- We budget fees to pay costs associated with running a 40+ team, 400+ member club in a state of the art facility.
- We depend on all players to pay fees fully in a timely manner to ensure that we, in turn, are able to pay expenses associated with running our club.
- Club fees are payable in four installments, with 40% due on commitment date, 20% due on Jan 1, 20% due on Feb 1, 20% on March 1.
