Personal:

Originally from Louisville, KY and have lived in Nashville for over 4 years. I grew up riding horses and then got into volleyball in grade school. Graduated from Bellarmine University with a degree in English and a minor in writing, I also have a masters in sports administration.

Currently work in the leasing department for GBT Realty, a commercial real estate company in Brentwood. I rescued a dog in 2019, a border collie/cattle dog named Levi. I love breakfast food, reading, and going to see live music.
