- Bachelor of Science
 - Healthcare Administration and Business Management
- Master of Business Administration

Professional:

Associate Recruiter at IQTalent Partners

Personal:

I just completed my first professional season with the Texas Tyrants based in Dallas. I love to do anything outdoor with my partner in crime: my 1 year old rescue pup, Guava. I try to have vacations spent with friends and family back home in Maui, Hawaii. If not, I'm visiting friends and teammates throughout the US looking for volleyball tournaments to play in. Do you want to try some Hawaiian food? Just let me know, I got you! Always remember to practice Aloha!
