Education:

Graduated in 2017 with a Bachelor of Aerospace Engineering from Auburn University.

Professional:

Employed as a contractor working on, developing, and analyzing NASA satellites and spacecraft programs.

Personal:

I just moved to Nashville, TN after working and coaching in Huntsville, AL. I started coaching in 2019 for 15 and 16 National teams and loved it ever since. Since I moved to Nashville in July, I got involved in helping run Skill Builders, Fall Clinics, and Rust Busters for Alliance Volleyball and I'm excited about the upcoming 2022 season!
