12 Molten Head Coach

Coaching Experience

- Beantown Volleyball Club - 8 Years (Newton, MA). I've coached both boys and girls teams: 15s, 16s, and 17s.
- High School - JV and Freshman for the boys program at Newton MA HS for 2 seasons (managed 32 boys each practice). JV for Wellesley MA HS girls program for 1 season.
- Hurricanes Volleyball Club - 3 seasons (Summer league). This league had no age limitations as it was a Chinese (9-man) outdoor league. I coached 3 women's teams with the ages on the team varying from 14-26. Team selection was based on skill, not age group.
- Private lessons – NEPVCA (New England Private Volleyball Coaches Association) a former teammate of mine put together this organization to expand private coaching reach in New England. A small group of us organized and ran a summer camp 2 years in a row (COVID stopped our 3rd year).
