### **Personal:**

- I was born and raised in Fairfield, CA! I moved to Knoxville, Tennessee, at the age of 18 by myself to attend UTK where I graduated with a degree in Sports Journalism! I was then hired by Turning Point USA to be their Broadway High School Field Representative in Nashville. I moved to Nashville in July of 2025, where I live with my dog Reesie and my cat Charlie. In my free time I love to line dance and country swing!
